Planning Committee Meeting Minutes
Tuesday, March 29, 2011

Present: Jeff Graves, Kris Hawley, Erik Jacobi, Ken Eilers

Excused: Charlie Adamski, Kevin Boyer, Marlene Stueland

Also present: Jason Grueneberg

Meeting called to order at 7:05p. by Chairman Graves

Minutes presented from February 1, 2011. **Motion to approve by Kris, Second by Ken. Motion carried.**

Public Input: None

Old Business:

- **Water Resources:** Jason Grueneberg received well log information for village residents from Mark Putra at the DNR office in Madison. Jason's office will plot the locations on a map and work with UW Madison to get further information to share.
- **Comprehensive Planning**
 - **Community Survey** is complete. Jason gave Jeff an electronic copy for posting on our website.

New Business:

- **Water Resources:** Discussed utilizing the well logs to start analyzing water availability. Ken Bradbury suggested the first step in understanding the distribution of well and the availability of groundwater around the Village. This will also help us understand average depth of bedrock, static water levels, pump test results, and capacity rates of well in our community. Ken also said he may have a summer intern available to help us evaluate the well logs.
 - Motion made for a recommendation to the Village Board to hire UW Madison Geology department to prepare a geology summary of the Village from the well logs in addition to calculating a water sustainability rate. **Motion by Kris, Second by Ken. Motion carried.**
- **Land Use Element:**
 - **Land Use Element** reviewed, clarified, updated. Updates will be presented at the next meeting.

Motion to Adjourn by Kris and second by Erik. Meeting adjourned at 8:56p
