OLD BUSINESS:

- Christmas Party Review: The party was held on Sunday, December 13, 2009 with 44 people attending. All agreed that it was a nice place, good food and a good time.
- Update on purchases and installations: Most of the items that were approved at the August 18, 2009 meeting have been purchased. It was suggested that the poles for the new lighting be installed before the ground thaws, to prevent damage from the equipment. Ken Eilers will make arrangements for this installation. The tent has not been purchased yet, hopefully at next month's meeting we will have more information on this item. The check for the \$6,000.00 donation to the Parks Committee will be issued when they request it for their project of lighting and blacktopping the trail up to the park pavilion.
- There was discussion on what product to put on the concrete floor in the concession stand. Motion by Steve Kluge, second by Anne Iwanski to purchase the tile squares that were shown as a sample at this meeting. Motion Carried.
