**Excused:** Ken Eilers

**Also present:** Jason Grueneberg

Meeting called to order at 7:00p.

**Minutes** presented from March 29, 2011. Motion to approve by Kris, Second by Kevin. **Motion carried.**

**Public Input:** None

**Old Business:**

**Water Resources:** Jason reported that he has received the well log database for the Village of Hewitt. He has started recording the information into his mapping program and is finding as many as 50% without correct addresses which makes the task difficult. If the Village pursues a water study to be done by a summer student from UW Madison geology department, Jason will share the work they have completed.

**Comprehensive Planning**
