Planning Committee Meeting Minutes
Tuesday, July 26, 2011

Present: Kevin Boyer, Charlie Adamski, Jeff Graves, Eric Jakobi, Kris Hawley, Marlene Stueland,

Absent: Ken Eilers

Also present: Jason Grueneberg, Scott Johnson

Meeting called to order at 7:05p.

Minutes presented from June 28, 2011. Motion to approve by Kevin, Second by Marlene. **Motion carried.**

Public Input: None

Old Business:

Water Resources: Jason is waiting to hear back from Village Assessor, Jim Kurtzweil, for information on new home construction in the village to help match well logs to property location.

Water Study: UW Madison Civil Engineer graduate, Scott Johnson, discussed the water study project he will complete for the Village. Well log information was imported into his geology program. Unmatched well log locations will be sent to Marlene who will divide them up among committee members to research and respond back. If all goes well, Scott will have this project completed by the end of August. The final results will include the following information:

1. Topography information
2. Elevation of bedrock from surface
3. Water table elevation
4. Depth to Bedrock
5. Bedrock Geology
6. Recharge rate calculation based on community statistics and weather averages for water sustainability
7. Regional Overview

Comprehensive Planning:

Transportation Element: Reviewed and finalized.

New Business:

None

Motion to Adjourn by Kevin, Second by Kris. Meeting adjourned at 8:45p
