### Old Business

- S.D. Ellenbecker Inc will be doing the concrete work for the new walking trail at the Yellowstone Recreation Park, hoping to have this work done in late October along with the installation of two basketball poles.
- The asphalt work has been completed in the parking lot.
- The cleaning and resealing pine on concession building might be carried over until spring depending on work load of the contractor.

Softball & Volleyball wrap up and improvements for 2015 All leagues reported having a good season. Suggestions and needs are:

5-6 year old softball league needs a new head coach.

7-8 year old softball league needs the batter's box fenced in, thinking of calling strike outs will discuss in February 2015.

12-14 year old softball suggested that we put in the rules that 'no' metal cleats are allowed.

Volleyball courts need more sand, new nets, new balls and more standard rules.

Add the year on the softball/volleyball shirts for next year.

Check into the possibility of allowing camping in the Village lot near the park.

- Chevy baseball results for 2014. Wheelers Chevrolet-GMC donated \$500.00. Additional money for test driving was also received.
- Team and individual pictures to be offered one night next year instead of several nights.

- If we want to keep the raffle a new chairperson is needed. Raffle ideas are welcome.
