Drainage. Since many had concerns this should be discussed further and address in the Plan. Village roads committee will discuss at their next meeting. Roads committee will also discuss opportunities for DOT funding for reconstruction of road & ditches along Yellowstone Drive.

Community Survey: We are encouraged by the participation and find most residents are happy with the Village. Survey results will be appended to the Plan with a summary of each section.

Housing Element: Will consider an alternative for showing value of housing units based on either 2000 Census or 2009 Property Assessments. The goals and objectives will need further discussion to encourage more housing like we already have.
