

# Village of Hewitt

## Roads Committee Minutes

Tuesday October 27, 2010 – 7:00 PM

1. Called to order at 6:00 P.M. in attendance Kris Hawley Chairman, Scott Wunrow, Dan Sova and Ken Rasmussen.
2. Recommend Post Card Reminder for Parking Violations:  
The committee came up with wording for the orange post cards that we want to get printed up and given to the board members to place on car windshields of vehicles in violation of the new parking ordinance. These are just warning cards. No fines will be given for the first violation.
3. Ditch Drainage Issues:  
The committee discussed issues regarding water in ditches not draining property. One suggestion the roads committee would like to make to the village board is for all new home construction, upon return of the occupancy fee, is to make sure the lots ditches drain properly (culvert to culvert) and that they are not filled in with dirt.
4. 2011 Road Construction & Maintenance Budget -- The committee decided to budget the following for 2011 for Road Maintenance:  
Street Maintenance: \$ 20,000  
Wood County 50/50 Road Aid: \$ 8,000

The committee also discussed that the village will be getting \$12,063 in State Transportation Aids for 2011. Just a reminder to the board that these State Transportation Aids must be used for road construction or road maintenance.

5. Discussion on 5-Year Road Construction and Maintenance Plan.  
The Roads Committee has come up with the following 5-year plan:  
2011 – Overlay 1.5” Blacktop Wedge Coat on West 6<sup>th</sup> Street  
- Overlay 1.5” Blacktop Wedge Coat on 2<sup>nd</sup> Street old section  
2012 – Overlay 1” Blacktop Wedge Coat on Apple Lane from Cty T to Allen Street  
(LRIP Funds)  
- Slurry Seal 4<sup>th</sup> Street from Yellowstone Drive to Evergreen Street  
- Slurry Seal Evergreen Street from 4<sup>th</sup> Street to 5<sup>th</sup> Street  
2013 – Slurry Seal West 9<sup>th</sup> Street from Fir Street to Hemlock Street  
- Slurry Seal West 10<sup>th</sup> Street from Fir Street to Hemlock Street  
- Slurry Seal West 7<sup>th</sup> Street from Fir Street to Hemlock Street  
- Slurry Seal West 8<sup>th</sup> Street from Fir Street to Hemlock Street  
- Engineering Costs to reconstruct Yellowstone Drive  
2014 – Slurry Seal Cedar Street and Butternut Street  
- Slurry Seal Hemlock Street from 9<sup>th</sup> Street to 11<sup>th</sup> Street  
2015 – Widen Yellowstone Drive and Grind up and Overlay existing Pavement

Next Meeting - The next roads committee meeting will be held on April 25, 2011.

Meeting adjourned 7:50 P.M.

Respectfully submitted,

Scott Wunrow  
Roads Committee Member
