

**RESOLUTION** 1992.10

VILLAGE OF HEWITT  
HEWITT, WISCONSIN

WHEREAS, the Village of Hewitt has applied to the State of Wisconsin Department of Natural Resources Clean Water Fund Program for assistance in planning and construction of a new wastewater treatment facility, and

WHEREAS, this facility is necessary to provide adequate treatment of wastewater generated by the Village of Hewitt, and to meet effluent limits established through the WPDES Permit system, and

WHEREAS, a public hearing was held on January 28, 1992, to discuss and obtain input relative to the Facilities Plan.

NOW THEREFORE BE IT RESOLVED, that the Hewitt Village Board hereby:

Adopts Site Alternative No. 3 - As the selected location for a new wastewater treatment facility.

Adopts wastewater treatment Alternative No. 4B - Oxidation Ditch as the selected wastewater treatment process.

Adopts effluent disposal Alternative No. 1 - Discharge to Mill Creek as the selected method of effluent disposal.

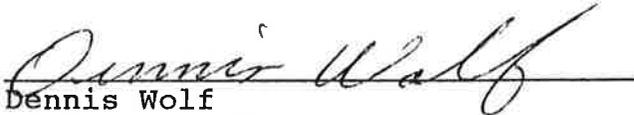

Adopts the implementation schedule presented in the Facilities Plan.

Approves the Facilities Plan and authorizes its submittal to the Wisconsin Department of Natural Resources for review and approval.

Authorizes Perry-Carrington Engineering Corporation to prepare the plans and specifications for the new wastewater treatment facility upon approval of the Facilities Plan by DNR.

**CERTIFICATION**

The undersigned, Dennis Wolf, Village President and Authorized Representative, hereby certifies that the above resolution is a true and correct copy of the resolution passed by the Hewitt Village Board at the February 11, 1992 meeting.

  
Dennis Wolf
