The Village will collect \$104,271.29 from 2015 property tax collections.. The Village rate will be \$2.093/\$1,000 assessment. The increase in the 2016 budget is greatly due to the purchase of a new tanker for the Fire Department for which the Village will collect approximately 50 percent of the cost in 2016 and 50 percent of the cost in 2017 through increased property taxes for the Village's share of the total cost. This purchase is a shared purchase with the Town of Marshfield
